As you must be aware about Mission LiFE initiative launched in October 2022 by the Hon'ble Prime Minister of India and the UN Secretary-General which is a significant global movement aimed at fostering sustainable lifestyles through simple, eco-friendly choices in our daily lives.

In alignment with the objectives of Mission LiFE, the Ministry of Environment, Forest and Climate Change (MoEFCC) is now inviting innovative ideas and technologies through the initiative titled '**A Call for Ideas and Technologies.**' This call seeks to generate practical and impactful solutions that support the mission's vision of promoting environmental sustainability and combating climate change.

Enclosed with this email, you will find detailed information in letter attached about the Call for Ideas and Technologies, including:

- **Event Details:** Launch Event on 29th July 2024 at Dongra Hall, IIT Delhi, with a submission period from 15th July 2024 to 15th August 2024.
- **Awards and Recognition:** Winners will be announced on 7th September 2024 (Swachh Vayu Diwas).

We encourage you to disseminate this information among your students, faculty, and research scholars and motivate them to contribute their innovative ideas to this global initiative. This is a remarkable opportunity for young minds to participate in a real-time global movement dedicated to environmental sustainability.
