

# MOTILAL NEHRU COLLEGE (EVENING)

Dated: 16-01-2024

## NOTICE

It has been observed that some students of II, IV and VI semesters have opted for optional subjects (SEC/VAC/AEC/GENERIC) which they had already studied in previous semesters.

All students are advised to carefully choose their optional subjects and ensure they do not select subjects already studied in their previous semesters. If you have already chosen such subjects, you must submit a fresh written application to the office to request for a change immediately.

(Prof. Sandeep Garg)  
Principal
