Delhi - 110 007.

Sub: Job and Education opportunities in Maritime Sector in India - Reg.

Dear Sir/Madam,

You are aware of the efforts taken by the Government of India to become a USD 5 trillion economy within the next few years. The Maritime Sector is an important sector with high growth potential. The key initiatives of the Ministry of Ports, Shipping, and Waterways, viz., Sagarmala and MIV 2030, aim to lead port-led development and generate jobs for Indian youth.

The renewed thrust of the Government in maritime sector, including Ship Building, Ship Repair and Ship Recycling is sure to create huge demand of skilled workforce in these domains. The Green Tug Transition Programme, Harit Nauka Green Transition Programme for Inland Vessels, Development of Green Hydrogen Hubs in Major Ports, Cruise Bharat Mission, Maritime Development Fund, River Cruise Policy, Lighthouse Tourism Initiatives, MIV 2030 and MAKV 2047 are policy initiatives in this direction. (The details of the initiatives are available on the website www.shipnri.gov.in)

The IMU, a Central University, established by an Act of Parliament in 2008, focuses on imparting education in aspects related to Maritime Sector - Marine Engineering, Nautical Sciences, Naval Architecture, Ocean Engineering, Ship Building and Repair, Logistics Management, Port Management etc.

May I request you to kindly share the information along with annexures with your students and encourage them to consider Post Graduate studies at IMU and participate in the 'Port-led Development' and the 'Growth Story of India'.

Pamphlets on education opportunities at the Indian Maritime University are attached (Annexures I & II) for your kind information.

Thanking you,

Vice Chancellor
