

Dear Sir/Madam,

Greetings from DGIST International Affairs Team! We are reaching out to share an exciting research internship opportunity that may be of interest to your university's students in STEM fields.

We would like to inform you that the application for the **2025 Summer DGIST Graduate School Research Internship for International Undergraduate Students** is open now. As an intern, program participant will have the chance to contribute to ongoing research projects, develop professional skills, and engage with Korean culture for 6 weeks from the end of June to early August. If you think any of your students would be interested in this opportunity, we would be grateful if you could pass on this information.

Details of the Internship:

- **Internship Period:** June 30, 2025 to August 8, 2025 (6 weeks)
- **Eligibility**
 - Enrolled undergraduate students with at least 4 completed semesters by the time of application, or graduates (not currently enrolled in Master's or PhD program), with foreign nationality (non-Korean)
 - Students/graduates with a cumulative GPA of 3.0/4.0 or higher
 - Students with high levels of English language proficiency
- **Labs:** Research labs in 6 departments of DGIST Graduate School (STEM fields)
- **Application Deadline:** by March 21, 2025 (KST)
 - For recommendation letter by an academic advisor, he/she should write the recommendation letter and upload it on the link by March 28, 2025 (KST).
- **Financial Support:** KRW 930,000, including dormitory fee and daily living expenses, for all program participants

For more details about the internship and the application process, please visit https://www.dgist.ac.kr/prog/intrllInternPrgrm/en_college/sub06_02/main.do or feel free to reach out to us at intl_internship@dgist.ac.kr with any questions.

Best regards,

DGIST International Affairs Team
