

We will be organizing an intensive two-day workshop for ages 15-18 years at the American Center. All the details are provided at the link attached here for your reference and registration. The last date is March 29, 2025.

<https://sites.google.com/view/machine-learning-workshop/home>

This will be an in-person, intensive workshop (10:00 am- 5:00 p.m) for two days on Machine Learning(ML), Artificial Intelligence(AI) and much more. The workshop will be facilitated by trainers from IIT Madras. Two iterations of this program have been successfully completed in Chennai and Mumbai.

**Entry guidelines:**

- Please carry an original and valid photo identification with you to enter.
- DO NOT BRING** power banks, flash drives, etc. into the building; these CANNOT be stored at the security station.
- Please allow extra time for security measures if attending an American Center event.
- Mobile phones are allowed within the American Center, but photography of sensitive areas is prohibited.
- The American Center does not provide parking on its premises.
- All visitors may be featured in photos or videos to be used for promotional purposes or on social media by the American Center or the U.S. Embassy.

Thanks,
