

NOTICE TO FILL THE OPTIONAL

It has been observed that many students of I, III & V Semester have not yet submitted their choice of optional subjects on the college portal. All such students are once again advised to submit their option by **20th August, 2025**. Failing to do so, the college will allot the subjects on its own, and no request for change of subject will be entertained thereafter.

Link of Portal : -

<https://mlnce.uni1erp.in/>

In case of any difficulty in submitting the option, students must contact the College Office immediately.
