NOTICE

It has been observed that many students of I, III & V Semester (list attached) have not yet logged in to the College Student Portal. It is very important for every student to log in to the portal for the selection of papers, and to stay informed about their attendance, internal assessment records, etc.

All such students are once again advised to log in to the portal for their respective subjects at the earliest. In case of any difficulty during login, they may contact the Administrative Office immediately.
