

Important Notice for filling Examination Form

It has been observed that students of II, IV, VI, and VIII semesters, while filling out the examination form on the Samarth Portal, mistakenly select "ER" papers from previous semesters and proceed to final submission along with fee payment. As a result, such students are unable to fill out the examination form for their current semester.

In this regard, all students are hereby advised to follow the correct procedure while filling out the examination form:

1. First, to go to course selection of current semester and submit
2. After that, use the "Update Course" option to add any pending/ER papers from previous semesters (if applicable) and select the papers of both semester (current and previous semester).
3. Finally, proceed for final submission and payment of fees.

Students are advised to carefully follow the above steps to avoid any issues.
