## NOTICE

All the students of the college are informed that entry into the college will be allowed only after showing their College Identity Card. It has been observed that students have developed the habit of showing their College Identity Card on mobile phones, due to which other illegal entries may take place in the college.

Entry into the college will not be allowed if a copy of the College Identity Card is shown on the mobile phone. For entry, the original College Identity Card must be shown in physical form.

Students whose College Identity Cards have not been renewed yet are required to get their College Identity Cards renewed from the office as soon as possible.

The students who have lost their College Identity Cards and whose duplicate College Identity Cards are in the process of being made, till then their application should have the college seal on it and they will be allowed entry into the college only after showing their other identity card like Aadhaar Card, Indian Passport, etc.

All Security Guards are instructed to ensure that every student's entry into the college should be as per the above instructions.
