

## Arachne

**Society Coordinator – Ms. Sarita Bhoi**  
**President – Ananya Johari**

- Founded in 2025, ARACHNE emerged as a bold and visionary platform for fashion enthusiasts of the college. In its very first year, ARACHNE positioned itself as a dynamic space where style meets substance, and innovation blends seamlessly with tradition.

The society marked its vibrant beginning with a spectacular ramp walk at the Diwali Mela, celebrating the rich cultural diversity of India. Participants showcased traditional attire from various states, transforming the ramp into a living tapestry of Indian heritage.

The event stood as a powerful tribute to unity in diversity, where fashion became a medium of cultural storytelling and pride.

- Freshers Ramp Walk Y2K Theme To welcome the new batch, ARACHNE hosted an electrifying Freshers Ramp Walk based on the Y2K theme. The event brought back early 2000s nostalgia with bold silhouettes, metallic tones, and playful styling. Freshers embraced the theme with confidence and creativity, making it a high energy event that set the tone for their journey ahead.

ARACHNE curated a visually striking photoshoot titled Dupahar - E - Delhi at Lodhi Garden, inspired by a 90s aesthetic. The shoot beautifully captured vintage charm, raw Delhi afternoons, and effortless style. It reflected the society's ability to blend storytelling with visual fashion narratives, creating content that is both artistic and memorable. Thrift Store at Milan During the annual college fest Milan, ARACHNE organized a highly engaging Thrift Store that promoted sustainable fashion. The initiative encouraged students to explore affordable, stylish, and eco conscious clothing choices. It was not just a marketplace but a statement reinforcing that fashion can be both trendy and responsible.

- As a part of Milan, ARACHNE also curated its own fashion showcase under its official fest AEVUM. The highlight of this showcase was the conceptual ramp walk themed Pandora's Box.
