Sardar Manjinder Singh Sirsa
Minister of Industries, Food & Supplies and Environment, Forest & Wild Life

D.O. No. 4158

Date.: 30/10/2026

Dear Prof. Manoj Kumar Singh,

I am pleased to share that a group of students from the University of Delhi recently visited my office at the Delhi Secretariat and presented a proposal for the *Green Delhi Warriors Initiative*, aimed at encouraging youth participation in combating air pollution and making Delhi greener.

It was heartening to witness the commitment of our young students towards addressing pressing environmental challenges. Recognizing the potential of this initiative, the Ministry of Environment, Government of NCT of Delhi, has decided to extend its full support to the students in taking this movement forward. The initiative will be supported through coordination with my office, and the KMC Incubation Centre has been entrusted with managing the dashboard for the initiative.

I invite the University of Delhi to actively participate in this initiative by encouraging students to join the movement. You may also facilitate the involvement of student bodies, societies and clubs.

I would also encourage your institution to leverage digital platforms through reels, short videos and other creative formats to spread awareness about the initiative and inspire greater student participation. The active involvement of educational institutions will be instrumental in building a strong youth-led movement for a cleaner and greener Delhi.

I look forward to your support and cooperation in making the *Green Delhi Warriors Initiative* a meaningful and impactful movement.

With regards,

Sardar Manjinder Singh Sirsa

Prof. Manoj Kumar Singh
