Successful hosting of HP activation in campus premises

To contact@mlnce.org Copy Anurag Kumar Mishra <anuragmis2001@gmail.com>

Greetings,

I am writing to express our gratitude for a successful activation event of HP Omen held on campus premises on the 18th of October 2024. We were amazingly delighted with the overwhelming response and support from the university and its students alike. Looking forward to hosting further collaboration opportunities with the college henceforth

Thanks and Regards
