

NOTICE

It has been observed that the students, who are appearing at the OBE examination (Commenced w.e.f. 12-12-2020), are not following the time schedule of the Question Paper, thereby they are not able to upload their answer scripts on the University portal in time because by the time they upload their answer scripts on the University Portal, the time of University Portal is over.

Every student, who is appearing at the OBE examinations, are advised in their own interest to follow the time schedule of the Question Paper strictly, otherwise they themselves will be responsible for not uploading their answer scripts. It is, therefore, once again advised to keep in mind that the students can continue to write their paper as per the allotted time given on the question paper and one hour is given for uploading the answer scripts. If the students do not adhere to the time schedule, they will not be able to upload their answer scripts on the University portal after the allotted time.
