Dear Sir/Madam,

I am writing to extend a special invitation to your esteemed institution to participate in a unique and enlightening event, the "One Day Patents Boot Camp," will be organized by the Council of Scientific and Industrial Research–National Institute of Science Communication and Policy Research (CSIR–NIScPR).

Date: 31st **July 2023**

Time: 9:30 a.m. to 5:00 p.m.

Venue: CSIR–NIScPR, Dr K S Krishnan Marg, Pusa, New Delhi, Delhi 110012

The "One Day Patents Boot Camp" is being organized under the auspices of the 'Azadi Ki Amrit Mahotsav' – IP Campaign - Rashtriya Boudhik Samapada Mahotsav. It aims to provide valuable insights into the world of patents and intellectual property rights. This in-person workshop is specially designed for students from other schools, colleges, universities, and research institutes, as well as young entrepreneurs who are keen to understand the basics of patents.

We will cover the following essential topics:

- How to come up with creative ideas
- How to turn your ideas into inventions
- How to disclose your inventions and to whom
- How to draft a patent specification (i.e. patent application) and claims
- How to file a patent application
- How to protect your inventions with patents

Attendance to the boot camp is free of cost, and we strongly encourage all interested students and young entrepreneurs to participate. However, due to limited space, prior registration is necessary. Only the first 70 registrations will be considered, so we urge you to circulate the Google form link among your students as soon as possible.

To register for the "One Day Patents Boot Camp," please fill out the Google form

https://docs.google.com/forms/d/e/1FAIpQLSfqD0SJGZz1KKSRXLtBj1-P6b6tMsJgFnw-C9g-b-CCytNwMw/viewform?usp=sf_link

We believe that this boot camp would be a valuable opportunity for your students to learn about patents.

We look forward to their active participation in this enriching event. Should you have any queries or require further information, please do not hesitate to reach out to us.

Regards

Dr. Tarakanta Jana

Sr. Principal Scientist, CSIR-NIScPR & Professor, AcSIR

Nodal Officer & Coordinator, Patent Boot Camp
