---

Greetings from Techfest, IIT Bombay!

We hope this email finds you well. We are excited to extend an invitation to the students of your institution to participate in the upcoming workshop series at Techfest, IIT Bombay, for the year 2023-24.

Techfest is IIT Bombay's Annual Science and Technology festival - and the largest of its kind in Asia, to be held on 27th-29th December 2023. Techfest, IIT Bombay is known for its commitment to promoting technological advancements and scientific knowledge. The workshop lineup for this year promises to be a fantastic opportunity for our students to expand their horizons and gain valuable insights into the latest developments in science and technology.

## Key Details:

Workshop Venue: IIT Bombay Campus

Exclusive Access: Participants will receive free access to all Techfest events

Certification: Participants will be awarded certificates by Techfest, IIT Bombay

To explore the wide range of workshops and register, students can visit the following link:
