Dear Sir / Madam,

The **University of Delhi**, through the **Delhi University Computer Centre (DUCC)** and the **Faculty of Technology**, is organising “**Cyber सतर्कता 1.0**” to promote cyber hygiene, safe digital behaviour, cybersecurity awareness, and a vigilant digital India.

The programme will culminate in a **Grand Finale on 30 October 2026** at the University of Delhi, featuring a cybersecurity exhibition and student project showcase. We cordially invite your esteemed institution to encourage **large-scale participation by students, research scholars, and faculty members** in this initiative.

Event Details

- **Event:** Cyber सतर्कता 1.0 – Cybersecurity Exhibition & Project Showcase
- **Date:** 30 October 2026
- **Venue:** University of Delhi
- **Time:** 9AM onwards

Cybersecurity Exhibition – Participation Guidelines

The exhibition is intended to provide students with a platform to showcase their creativity, technical skills, research, and innovations in cybersecurity.

1. **Open Topic:** Each team may present a project, prototype, invention, research work, or practical solution on any topic related to cybersecurity. Participants are encouraged to demonstrate original ideas and innovative approaches to addressing real-world cyber threats.
2. **Team Size:** Each team may consist of a maximum of **three members**.
3. **Space and Furniture:** The University will allocate exhibition space to each registered team, along with **one table and three chairs**.
4. **Project Materials:** Participants must bring and arrange all materials, equipment, prototypes, laptops, displays, posters, demonstrations, and other resources required to showcase their projects or inventions. The University will provide the allocated space and furniture.
5. **Food Arrangements:** The University will make adequate food arrangements for all registered participants.
6. **Mandatory Registration:** Registration is **compulsory for every participating team and attendee**. Teams must complete the registration process through the official link provided below.
7. **Late date of registration 28 Oct 2026 23:59.**

Key Focus Areas

Projects may cover, but are not limited to:

- Cyber hygiene, phishing prevention, and digital fraud detection
- Network security, ethical hacking, and vulnerability assessment
- Artificial intelligence, machine learning, and cybersecurity
- Deepfake detection, data privacy, and identity protection
- Digital forensics, cybercrime investigation, and incident response
- Web application, cloud, IoT, and mobile security
- Innovative cybersecurity tools, prototypes, and threat-detection solutions

Invitation for Large-Scale Participation

We request you to kindly circulate this invitation widely among students and faculty members of your institution and encourage them to register and participate in large numbers. Institutions are especially encouraged to motivate student teams to present their cybersecurity projects and demonstrate their innovations to the wider academic and cybersecurity community.

We would appreciate your support in sharing this announcement through official email groups, institutional websites, social media channels, departmental networks, cybersecurity clubs, and student societies to maximise participation.
